

Spring hosta sale

The annual SOGHS plant sale is our major fundraiser. Proceeds support educational programs and scholarship funding. This one-of-a-kind shopping experience features hostas and a wide array of other plants, plus special gifts to early shoppers and fun for kids.

Bus tours and educational trips

The SOGHS coach bus tour to public and/or private gardens is a yearly highlight offering a chance to expand our hosta knowledge. Bus tours include stops at specialty nurseries with shopping opportunities.

Member garden tour

Monthly member garden tours (June-August) provide a glimpse into the unique ways SOGHS members incorporate hostas in their gardens. Ideas and inspiration abound.

Fall Founder's Day Picnic

The fall Founder's Day Picnic is a family event that offers great food, conversation and laughter in a pastoral setting that includes hosta gardens. Door prizes, silent auction, potluck feast is fun for all.

Involvement

serving Southeast Minnesota

Shades of Green Hosta Society of Southeast MN, Inc. established in 2005 is a non-profit organization formed to educate members about hosta selection, cultivation and nomenclature, new and improved varieties, uses in the home landscape, and to promote interest in the genus Hosta.

Our mission is supported through the publication of a society newsletter, educational programs, garden tours, a web page and other activities during the year.
